

May 2015 Flooding Incident Damage Hotline

The Bastrop County Office of Emergency Management is applying for federal assistance for owners of property that sustained damage due to the recent heavy rainfall, severe weather and flash flooding occurring in the County (including the Cities of Bastrop, Elgin, Smithville).

Home owners and business owners can help with the application and provide some information about the damage they sustained. The federal government will consider offering individual assistance to our community based upon the level of actual damage sustained.
