Bastrop Volunteer Reception Center to Relocate

BASTROP, Texas – The Bastrop Volunteer Reception Center (VRC), currently located at Calvary Baptist Church, will relocate to a new facility this week.

The center will move to 1091 Hwy. 71 W., and will operate from 9 a.m. to 5 p.m. Monday through Saturday. This move will result in the establishment of a permanent volunteer facility.

Individuals or groups interested in volunteering should visit the VRC at its new location to be matched with opportunities throughout Bastrop County. Online registration is also available at <http://www.bastroprelief.org/volunteer>.

In addition, homeowners in need of recovery assistance can stop in the VRC to fill out a homeowner intake form. The VRC will then provide volunteer support through affiliated agencies.

Agencies or individuals who wish to register volunteer hours can bring time logs to the VRC, or send them electronically to bastropvrc@gmail.com.

For additional information please visit www.bastroprelief.org or dial 211.
