SUBDIVISION GENERAL PLAT NOTES

Plat notes are dictated by the type of project, lot layout and characteristics of the land being developed. Not all notes are required. County Staff may require additional plat notes and/or special language not listed here during the review process.

A. Utility Service Providers: (All Plats)

1. Water service is provided by: Insert name
2. Wastewater service is provided by: Individual on-site sewage facilities; **Or:** Insert name of provider
3. Electric service is provided by: Insert name
4. List all other service providers as applicable

B. Floodplain Plat Notes:

1. NOTES REQUIRED ON ALL PLATS:

The flood hazard information may be drafted in a statement or list format.

Each of the following items must be identified within the list or statement:

- o Flood Zone and its description (Example: Zone A, 100-Year Floodplain),
- o FIRM panel number (Example: 48021C0025E),
- o FIRM panel effective date (01/19/06),
- o Community Number 481193
- FLOOD WARNING: The degree of flood protection required by the Bastrop County Flood Damage Prevention Order is considered reasonable for regulatory purposes and is based on scientific and engineering considerations. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made or natural causes. Acceptance of this plat by the Commissioners Court does not imply that land outside the areas of special flood hazards or uses permitted within such areas will be free from flooding or flood damages. Nor shall acceptance of this plat create liability on the part of Bastrop County or any official or employee thereof for any flood damages that result from reliance on the information contained within this plat or any administration decision lawfully made hereunder.
- Erosion and sedimentation controls are required for construction on each lot, including single-family and duplex construction.

2. NOTES REQUIRED ON PLATS WITH DRAINAGE EASEMENTS OR OTHER STORMWATER SYSTEMS, INCLUDE THE FOLLOWING:

- No structures or land use (including but not limited to buildings, fences, landscaping) that negatively impacts storm water flows shall be allowed in areas designated as ponds, drainage easements, or detention / retention areas.
- Drainage easements, storm water facilities / features, and erosion controls shall be maintained by the Homeowners Association and / or by individual property owners.

- Property owners and their assigns shall provide access to drainage easements as may be necessary and shall not prohibit access by Bastrop County representatives.
3. **NOTES REQUIRED ON PLATS WITHIN THE 100-YEAR FLOODPLAIN, INCLUDE THE FOLLOWING:**
 - The Finished Floor Elevation noted within each lot represents the base flood elevation and a two-foot freeboard as required by the Bastrop County Flood Damage Prevention Order.
 - The developer, builder, seller, or agent shall inform, in writing, each buyer of subdivision lots or property located within flood hazard areas that such property is an identified flood hazard area and that a Certificate of Compliance will be required prior to occupancy of a structure.
 4. **NOTES REQUIRED ON PLATS WHERE A FLOODWAY IS DESIGNATED, INCLUDE THE FOLLOWING:**
 - Residential development is prohibited within areas noted on the plat as being within an identified floodway.
 5. **BASTROP COUNTY RESERVES THE RIGHT TO REQUEST ADDITIONAL NOTES AFTER REVIEW OF THE PRELIMINARY PLAT.**

C. Streets/Lots/Culverts:

1. **NOTE REQUIRED ON ALL PLATS WITHOUT A DRIVEWAY CULVERT TABLE:**

All driveways in this subdivision must be constructed to facilitate drainage along the ROW. The developer and/or property owner shall be responsible for the installation and maintenance of driveways in accordance with Bastrop County specifications, which may include culvert pipe installation. A permit must be obtained from Bastrop County prior to the creation of a driveway.

2. **NOTE REQUIRED ON ALL PLATS CONTAINING A DRIVEWAY CULVERT TABLE:**

The driveway culvert table as shown on this plat determines the culvert size for each lot. The developer and/or homeowner shall be responsible for installing and maintaining driveway culverts to Bastrop County specifications. A permit must be obtained from Bastrop County before a driveway culvert can be installed. Access to state highways is regulated by TXDOT and therefore must be approved and constructed to its standards.

3. Minimum Building Setbacks: Front street-side: 25'; Side street-side: 15'; Internal side & rear lot lines: 10' **(All Plats)**
4. "Typical Lot & Easement" detail is depicted on this plat.
5. All corner lots within this development may access only one street and must take their access from the minor of the two streets.
6. The joint use driveway(s) as shown on this plat will provide joint access from

_____ to Lot(s) ____ & _____. (Repeat as applicable.)

- 7. No driveway access is permitted to _____ Street/Road from Lot(s) _____.
- 8. This subdivision will be a “Gated Community” and all streets and drainage improvements will be classified as “Private Streets” to be maintained entirely by the developer and/or Homeowners Association.

D. Development of Lots / Water Wells

- 1. **PERMITS:** Property in this subdivision shall be developed in accordance with all applicable federal, state, and local regulations including, but not limited to: Bastrop County 9-1-1 Addressing Assignment, Driveway/Culvert, Development, Floodplain, On-site Sewage Facility, and Lost Pines Habitat Conservation Plan. County permits are obtained and issued through the Bastrop County Development Services Department. **(All Plats)**
- 2. No on-site water well may be placed within 150’ (50’ if encased) of an on-site sewage disposal area, nor can any on-site sewage disposal area be placed within 150’ (50’ if encased) of an on-site well. Each lot shall have a 75’ (25’ if encased) water well setback adjacent to property lines. Property owners and/or registered water well installers are responsible to determine appropriate locations for same, if not specified herein. Further information and registration of on-site water wells is obtained and issued through the Lost Pines Groundwater Conservation District.

E. Legal Responsibilities/Liabilities:

- 1. Approval of this plat by the Commissioners Court of Bastrop County, Texas, does not constitute a verification of all data, information and calculations supplied by the applicant. The engineer of record is solely responsible for the completeness, accuracy and adequacy of his/her submittal, whether or not the plat has been reviewed for compliance of regulations by Bastrop County Engineer and/or plats review staff. **(All Plats prepared with P.E. seal)**
- 2. **NOTES REQUIRED ON ALL PLATS WITH STREET & DRAINAGE IMPROVEMENTS:**
 - The owner of this subdivision, and his or her successors and assigns, assumes responsibility for plans and construction of subdivision improvements which comply with applicable regulation and requirements of Bastrop County. The owner understands and acknowledges that plat vacation or re-platting may be required at the owner’s sole expense if plans to construct this subdivision do not comply with such regulations and requirements.
 - It is understood that on approval of this plat by the Commissioners Court of Bastrop County, Texas, that the construction of all bridges, culverts, streets, roads and other public thoroughfares delineated and shown on this plat, shall remain the responsibility of the owner and/or developer of the tract of land covered by this plat, in accordance with plans and specification prescribed by the Commissioners Court of Bastrop County, Texas. The Court assumes no obligation to construct any bridges, culverts, streets, roads or public thoroughfares shown on this plat, or of constructing any bridges or culverts in connection therewith.
 - The owner/developer of the subdivision shall construct the subdivision’s street and drainage improvements to County standards in order for the County to accept the public improvements for maintenance or to release fiscal security posted to secure private improvements. To secure this

obligation, the owners(s) must post fiscal security with the County in the amount of the estimated cost of the improvements. The owner(s) obligation to construct the improvements to County standards and to post the fiscal security to secure such construction is a continuing obligation binding on the owners and their successors and assigns until the public improvements have been accepted for maintenance by the County, or the private improvements have been constructed and are performing to County standards.

- Upon approval of this plat by the Commissioners Court for filing and subsequent acceptance of maintenance of streets by Bastrop County, it is understood that placement of any and all traffic control devices requiring signage such as street names, speed limits, stop signs, yield signs, etc., shall be the sole responsibility of the developer under the direction of the Commissioners Court and/or the County Engineer.
- Neither approval of a subdivision plat by the Bastrop County Commissioners Court, nor the filing/recording of an approved subdivision plat constitutes acceptance by Bastrop County of any dedication of the roads/streets depicted on the plat. Only the Bastrop County Commissioners Court, acting as a body, has the authority to accept roads/streets into the Bastrop County road system for county maintenance. Individual members of the Bastrop County Commissioners Court have no authority to bind Bastrop County by separate action. Until Bastrop County, through its Commissioners Court, accepts a road/street that has been dedicated in a plat, said road/street is not a County road, and is not subject to County maintenance.

F. Amending Plat / Re-subdivision of Previously Platted Subdivision Plats:

This plat does not attempt to amend or remove any covenants or restrictions from the previous subdivision (*name, including as applicable: Phase, Section, Block, Lot:*) _____, as recorded in Volume _____, Page _____, BCDR / Cabinet _____, Page(s), _____ BCPR.

G. Extra Territorial Jurisdiction:

1. This subdivision does not lie within the city limits or ETJ of any municipality. (Required on all non ETJ plats.)
2. This subdivision lies with Area A of the ETJ of the City of Bastrop as designated by the Interlocal Agreement filed of records in 1603/527 BCDR.

H. Endangered Species Note: (*required on plats of property located within the Plan Area*)

This project is located within the area of “Known and Potential Habitat” of the endangered Houston toad as determined by the U.S. Fish and Wildlife Service. As authorized under Bastrop County’s Federal Fish and Wildlife-issued Endangered Species – Incidental Take Permit Number TE-113500-0, property owners should contact the Lost Pines Habitat Conservation Plan (LPHCP) Administrator at the Bastrop County Development Services Department prior to any development activity.
