IN THE 423RD DISTRICT COURT OF
BASTROP COUNTY, TEXAS

AMENDED OMNIBUS ORDER OF REFERRAL

Pursuant to Texas Family Code Section 201.001 et seq., the Texas Government Code Chapter 54A and Resolution 2022-01 passed by the Bastrop County Commissioners Court on September 26th, 2022,

The 423rd District Court of Bastrop County, Texas does hereby refer to

Veronica Juarez-Dunne
Associate Judge

all Family Law cases that are assigned to the 423rd District Court pursuant to the Order Relating to the Filing of Family Law Cases in Bastrop County, Texas dated May 19th, 2010, filed in the Bastrop District Clerk's Office **on and after November 15th, 2022**. This Order of Referral shall encompass the powers granted under the Texas Family code and the Texas Government Code.

A District Judge may refer any case or portion of a case to an Associate Judge for resolution, including a trial on the merits. Unless a party files a written objection to the Associate Judge hearing a trial on the merits, the District Judge may refer the trial to the Associate Judge. A party must file a separate objection no later than the 10th day after the date the party receives notice that the Associate Judge will hear the trial. No objection may be made to the referral of any other family law matter to an Associate

Judge. A party may, however, file a request for a de novo hearing of an Associate Judge's decision within seven working days of receiving notice of said decision. Pending a de novo hearing before the referring Court, an order of the Associate Judge is in full force and effect and is enforceable as an order of the referring Court, except for an order providing for the appointment of a receiver. In the event of recusal or other disqualification of the Associate Judge in a case referred and assigned under this order, the case shall return automatically to the docket of the undersigned, subject to further order of the court.

Other cases may also be referred to the Associate Judge by the 423rd District Court orally or by written order on an individual basis from time to time as necessary or convenient in the administration of the docket of the 423rd District Court. Referral of a matter does not require a specific order of referral and may be deemed as referred by virtue of the execution of this Order.

This Order of Referral is effective as of the 14th day of November 2022.
