Bastrop County Earns Safety Achievement Award from TAC Risk Management Pool

AUSTIN — Bastrop County has earned a 2018 Safety Achievement Award from the Texas Association of Counties Risk Management Pool (TAC RMP) for its record of commitment to safety in the workplace, as well as for controlling the county's workers' compensation claims.

To qualify for the award, the county must participate in TAC RMP's Workers' Compensation Program, have a safety program or accident prevention plan and meet additional criteria.

Through its commitment to safe practices among county employees, Bastrop County works to reduce employee injuries and obtain substantial savings for taxpayers by minimizing workers' compensation costs.

The county is one of 8 TAC RMP members statewide who have earned this award.

Governed by a board of county officials, TAC RMP has provided counties with protection against risks and liabilities for 40 years. TAC RMP's risk control programs and services, delivered to more than 400 members, help Texas counties promote safety and save tax dollars.
