TAC HEBP Non-Grandfathered Health Plan
ONLINE BENEFITS PORTAL: EMPLOYEE SELF-SERVICE (ESS)

Accessing your current health benefits and wellness program resources online should be easy. That’s why we created Employee Self-Service (ESS) for county employees. ESS is one single website with all the links you need. Just one password here gets you access to Blue Cross and Blue Shield of Texas (BCBSTX), Navitus (prescription drugs), Healthy County wellness initiatives and more.

WHERE CAN I ACCESS ESS ONLINE?

Go To: https://mybenefits.county.org

Save or bookmark this web address as a favorite so you can reference your benefits and tools with one simple click!

WHAT CAN I DO IN THE EMPLOYEE SELF-SERVICE (ESS) TOOL?

- **Get Benefits Information**: Review a variety of wellness program details, vendor and health information.
- **My County Benefits**: Access your current health and prescription coverage Benefits Summaries and miscellaneous forms.
- **Review Current Enrollment**: Retrieve and review benefit information.
FIRST TIME USER INFORMATION

First-time users will need to create a unique password before logging onto the system.

From this page, first-time users should click on the Create Password link displayed at the bottom of this page.

First-time users will need to acknowledge and accept an online authorization. TAC HEBP may require employees to accept this online authorization once a year.

### EMPLOYEE INFORMATION

**This is a general Summary** of your benefit design. Please refer to your benefit booklet for other details and for limitations and exclusions.

**MDLive** is now part of your benefit plan design. Access to an independently contracted board-certified doctor is available 24 hours a day, seven days a week to speak to immediately or schedule an appointment based on your availability. Please refer to your benefit booklet for other details.

The following benefits apply to dependent coverage:

- Dependent children are covered to age 26.
- Automatic coverage for newborns for the first 31 days following birth. Infants not enrolled for coverage within the first 31 days after birth will not be eligible for coverage until the following open enrollment period or special enrollment event.

**Payments:** Network providers agree to accept amounts negotiated with BCBSTX and are paid according to this BCBSTX-determined Allowable Amount. Covered individuals are responsible for any required Deductibles, Coinsurance Amounts, and Copayments. Plan benefits paid to Out-of-Network providers are based on the BCBSTX-determined Allowable Amount, except in the event of Emergency Care received in an outpatient hospital emergency treatment room within 48 hours of the incident. For all other services received by an Out-of-Network Provider, the covered individual will be responsible for charges in excess of the Allowable Amount in addition to any applicable Deductibles, Coinsurance Amounts, and Copayments. For cost savings information, refer to the section on ParPlan Providers and the definition of Allowable Amount in the benefit booklet.

**Replacement of Medical Coverage:** In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the following provisions apply to each eligible participant who has health coverage under the employer’s plan immediately prior to the effective date of the health contract between the employer and BCBSTX (the contract date):

- Benefits for eligible expenses incurred for any service or supplies prior to the contract date, are not covered under the contract.
- Eligible expenses for services or supplies incurred on or after the effective date will be considered for benefits subject to all applicable contract provisions.
Confused About Where to Go for Care?

SmartER Care℠ options may save you money.

If you aren’t having an emergency, deciding where to go for medical care may save you time and money. You have choices for where you get non-emergency care — what we call SmartER Care. Use the chart below to help you figure out when to use each type of care.

When you use in-network providers for your family’s health care, you usually pay less for care. Search for in-network providers in your area at https://mybenefits.county.org. Select Get Connected and click on the Blue Cross and Blue Shield link. Use the information on your member ID card to complete the process. You may also call the Customer Service number on the back of your member ID card.

Virtual Visits
- Available 24 hours a day, seven days a week
- Access to care for non-emergency medical issues whether you’re at home or traveling
- Based on your location, have a doctor or behavioral health professional visit by phone at 888-680-8646, online at MDLIVE.com/bcbstx or with the MDLIVE® mobile app
- Average wait time is less than 20 minutes
- Powered by MDLIVE

Doctor’s Office
- Office hours vary
- Generally the best place to go for non-emergency care
- Doctor-to-patient relationship established and therefore able to treat, based on knowledge of medical history
- Average wait time is 18 minutes
- Powered by MDLIVE

Retail Health Clinic
- Based upon retail store hours
- Generally includes evenings, weekends and holidays
- Usual lower out-of-pocket cost to you than urgent care
- Often located in stores and pharmacies to provide convenient, low-cost treatment for minor medical problems

Urgent Care Center
- Generally includes evenings, weekends and holidays
- Often used when your doctor’s office is closed, and you don’t consider it an emergency
- Average wait time is 16-24 minutes
- Many have online and/or telephone check-in

Hospital ER
- Open 24 hours, seven days a week
- Average wait time is 4 hours, 7 minutes
- Could be transferred to a hospital-based ER depending on medical situation
- Services do not include trauma care
- Often freestanding ERs are out-of-network. If you receive care from an out-of-network provider, you may have to pay more. Providers outside the network may “balance bill” you, which means they may charge you more than your health plan’s fee schedule.
- All freestanding ERs charge a facility fee that urgent care centers do not. You may receive other bills for each doctor you see.

Freestanding ER
- Open 24 hours, seven days a week
- Could be transferred to a hospital-based ER depending on medical situation
- Services do not include trauma care
- Often freestanding ERs are out-of-network. If you receive care from an out-of-network provider, you may have to pay more. Providers outside the network may “balance bill” you, which means they may charge you more than your health plan’s fee schedule.

If you need emergency care, call 911 or seek help from any doctor or hospital immediately.

Note: The relative costs described here are for independently contracted network providers. Your costs for out-of-network providers may be significantly higher. Wait times described are just estimates.

Virtual visits, Powered by MDLIVE may not be available on all plans. Virtual visits are subject to the terms and conditions of your benefit plan, including benefits, limitations, and exclusions. MDLIVE operates subject to state regulations and may not be available in certain states. MDLIVE is not an insurance product or a prescription fulfillment warehouse. MDLIVE does not guarantee that a prescription will be written. MDLIVE does not prescribe DEA-controlled substances, non-therapeutic drugs and certain other drugs that may be harmful because of their potential for abuse. MDLIVE physicians reserve the right to deny care for potential misuse of services.

The information provided in this guide is not intended as medical advice, nor meant to be a substitute for the individual medical judgment of a doctor or other health care professional. Please check with your doctor for individualized advice on the information provided. Coverage may vary depending on your specific benefit plan and use of network providers. For questions, please call the number on the back of your member ID card.

### 24/7 Nurseline

The 24/7 Nurseline can help you identify some options when you or a family member have a health problem or concern. Nurses are available at 800-581-0393, 24 hours a day, seven days a week, to answer your health questions.

**Urgent Care Center or Freestanding ER**

Knowing the Difference Can Save You Money

Urgent care centers and freestanding ERs can be hard to tell apart. Freestanding ERs often look a lot like urgent care centers, but costs may be higher.

A visit to a freestanding ER often results in medical bills that may be 10 times the rate charged by urgent care centers for the same services. Here are some ways to know if you are at a freestanding ER.

**Freestanding ERs**

- **Look like urgent care centers, but have the word “Emergency” in their name or on the building.**
- **Are open 24 hours a day, seven days a week.**
- **Are not attached to and may not be affiliated with a hospital.**
- **Are subject to the same ER member share which may include a copay, coinsurance and applicable deductible.**

Find urgent care centers near you by texting URGENTTX to 33633.

Getting sick is never convenient, and finding time to get to the doctor can be hard. Blue Cross and Blue Shield of Texas (BCBSTX) provides you and your covered dependents access to care for non-emergency medical issues and behavioral health needs through MDLIVE.

Whether you’re at home or traveling, access to an independently contracted board-certified doctor is available 24 hours a day, seven days a week. You can speak to a doctor immediately or schedule an appointment based on your availability. Virtual visits can also be a better alternative than going to the emergency room or urgent care center.

MDLIVE doctors or therapists can help treat the following conditions and more:

**General Health**
- Allergies
- Asthma
- Nausea
- Sinus infections

**Pediatric Care**
- Cold
- Flu
- Ear problems
- Pinkeye

**Behavioral Health**
- Anxiety/depression

Provider Finder® shares information that gives you control.

- Do you want to know more about the doctors who take care of you or your family?
- Do you need to know the estimated cost of a medical service?
- Do you want to find savings by comparing costs?
- How do you choose where to go for medical services?

You have a tool that can help you answer these questions. Provider Finder is an innovative tool for helping you choose a provider and estimate health care costs. It’s easy, immediate and secure.

It’s easy to get started:

1. Go to bcbstx.com.
2. Click the Log In tab, and then click the Register Now link.
3. Use the information on your Blue Cross and Blue Shield of Texas ID card to finish the process.
4. Log in to Blue Access for MembersSM. Provider Finder can be found under the Doctors & Hospitals tab.

You have a choice when choosing where to go for health care. Many times you can choose between several doctors or facilities and have the same procedure at a lower cost. For example, an MRI of your knee can range in cost from hundreds to thousands of dollars. It pays to ask questions and to shop around for lower cost options.
It pays to be a smart health care shopper.

At the start of each year, your deductible and out-of-pocket limits start again, so it pays to know what those limits are. It is also smart to know about your costs for doctor visits and medical procedures. These can differ greatly even in the same city. Use your money wisely this year.

Terms you should know to get the most from your health plan:

- **Network:** Not all health care professionals are in the same network, so you need to check to make sure your doctor or hospital is in your plan’s network.

- **Deductible:** Most plans call for you to pay a certain amount before your health plan starts to pay. For instance, if your deductible is $2,000, your plan may not pay anything until you’ve paid the first $2,000.

- **Coinsurance:** Some plans don’t cover all your costs. They may include coinsurance - your share of the costs of a covered health care service. Coinsurance is often a percentage of the total cost. For instance, you may pay 20 percent of an allowed service while your plan pays 80 percent.

- **Copayment (or copay):** This is a flat dollar amount you pay when you see a doctor, use medical services or fill a prescription.

- **Out-of-Pocket Maximum:** Your health plan will have a limit on how much you are required to pay in one year. If your out-of-pocket maximum is $5,000, you won’t pay anything once you’ve paid that $5,000. That means no more copays or coinsurance.
Keep your budget and your health on track with these easy steps.

Taking charge of your health care costs is key to keeping your budget on track. In today’s economy, who doesn’t want to save money? Help keep your costs in check with these quick and easy tips.

- **Take care of yourself** — It sounds straightforward, but exercising and eating right can save you money on health care costs.
- **Get a yearly exam** — Prevention is key to staying on top of your health and steering clear of more serious costs and issues down the line.
- **Review your EOBs** — Any time you get an Explanation of Benefits (EOB) statement, review it. Understand your benefits and make sure you are not being charged for tests that never took place.
- **Use Blue365®** — Check out savings for health products, health and fitness clubs, weight-loss programs and so much more.

- **Be rewarded** — Take part in any wellness reward program that your employer may offer.
- **Save on prescriptions** — Check to see if you can save money by going to certain pharmacies or using mail order. Using a generic version of a drug may be less costly. Check with your doctor to see what may be available. Treatment is between you and your doctor.
- **Know your network** — It pays to use Provider Finder® to make sure that your doctors and hospitals are in your network. Using out-of-network providers may cost you more. You can also get estimates for doctor visits and procedures. For instance, the same test or procedure at one network provider may cost less than one at another provider nearby. As a result, you could end up paying more.

Get started today.

Go to [bcbstx.com](http://bcbstx.com) and log in to Blue Access for Members℠. Provider Finder is under the **Doctors & Hospital** tab. Click on **Find A Doctor**. You can also access Provider Finder on your mobile device’s Web browser.
Get the facts to learn how to help keep your health care costs down.

- **Plan ahead** — Use the right level of care. Emergency room (ER) visits can really add up. If you’re not feeling well, try to see your doctor during regular working hours. An urgent care center may cost less than an ER visit for after-hours care.*

- **Budget wisely** — Add in health care costs to your budget as much as you can. For instance, if you’re planning to have a baby next year, think about setting up a Health Savings Account or Flexible Spending Account to help with some of the extra costs.

- **Be a smart shopper** — If you have the option to choose a plan, check out your choices before you make a decision. Pick what works best for you and your family. You can also use Provider Finder to help you make more informed health care decisions by viewing clinical quality ratings from Blue Cross and Blue Shield as well as independent third parties.

*In the event of a medical emergency call 911 or your local emergency services.

**Take the first step to a HEALTHY BUDGET.**

Go to bcbstx.com to learn ways to keep your costs in control.
SAVE MONEY WITH IN-NETWORK PROVIDERS and Avoid “BALANCE BILLING”

If you receive care from a provider that is outside the PPO network, you may have to pay more for your care or even the full cost. Providers outside the network may “balance bill” you, which means they may charge you an amount that is more than your health plan’s fee schedule. Examples of out-of-network providers you may encounter include emergency room and hospital-based physicians. It is possible that a hospital is in the network, but a doctor or other person treating you there may be out of network.

Get the most from your health plan benefits by avoiding out-of-network providers. Use Provider Finder® from Blue Cross and Blue Shield of Texas (BCBSTX) when you need to find a doctor, hospital or other facility and keep your out-of-pocket costs lower.

Knowing how your plan works can help you save. Your benefits are based on your health plan’s fee schedule. Doctors, hospitals, clinics and urgent care facilities (these are all called “providers”) who contract independently with the PPO network have agreed to accept our negotiated rates as payment in full. When you receive care from a network provider, you will usually pay less out of pocket than at an out-of-network provider.

Before you go for medical care, make sure the doctor or hospital is part of the PPO network. There are several ways to find a PPO network provider:

- Register or log in to Blue Access for MembersSM, our secure member website by logging on at https://mybenefits.county.org, select “Get Connected,” and click on the Blue Cross and Blue Shield link. Use the information on your BCBSTX ID Card to complete the process. Click the “Doctors & Hospitals” tab to conduct a personalized search based on your health plan and network.
- You can use Provider Finder from your phone or tablet by downloading the free BCBSTX mobile app. Just text* BCBSTXAPP to 33633.

In an emergency, call 911 or go to the nearest emergency room.

Call the number on the back of your BCBSTX ID card if you have a question about your benefits or want help using Provider Finder.

* Message and data rates may apply. Terms, conditions and privacy policy can be found at bcbstx.com/mobile/text-messaging.
An Explanation of Benefits (EOB) is a notification provided to members when a health care benefits claim is processed by Blue Cross and Blue Shield of Texas (BCBSTX). The EOB shows how the claim was processed. The EOB is not a bill. Your provider may bill you separately.

**THE EOB HAS THREE MAJOR SECTIONS:**

- **Subscriber Information and Total of Claim(s)** includes the member’s name, address, member ID number and group name and number. The Total of Claims table shows you the amount billed, any applied discounts, reductions and payments and the amount you may owe the provider.

- **Service Detail** for each claim includes:
  - Patient and provider information
  - Claim number and when it was processed
  - Service dates and descriptions
  - The amount billed
  - The discounts or other reductions subtracted from amount billed
  - Total amount covered
  - The amount you may owe (your responsibility)

- **Summary** - Shows you what the plan covers for each claim and your responsibility including:
  - **Plan Provisions**
    - The amount covered
    - Less any amounts you may owe, like deductible, copay and coinsurance
  - **Your Responsibility**
    - Deductible and copay amount
    - Your share of coinsurance
    - Amount not covered, if any
    - Amount you may owe the provider. You may have paid some of this amount, like your copay, at the time you received the service.

**THE EOB MAY INCLUDE ADDITIONAL INFORMATION:**

- **Amounts Not Covered** will show what benefit limitations or exclusions apply.

- **Out-of-Pocket Expenses** will show an amount when a claim applies toward your deductible or counts toward your out-of-pocket expenses.

- **Fraud Hotline** is a toll-free number to call if you think you are being charged for services you did not receive or if you suspect any fraudulent activity.

- **An explanation** of your right to appeal if your health plan doesn’t cover a health care claim.

Health Insurance Fraud
What You Should Know

Fraud Affects Everyone
Fraud may cost the health care industry (public and private payers) more than $200 billion each year. As a member of Blue Cross and Blue Shield of Texas (BCBSTX), this fraud may cause you to face rising premiums, increased copayments and deductibles, and the elimination of certain benefits.

Don’t Be a Victim
In addition to losing money through fraud, members may also experience physical and mental harm as a result of health care fraud schemes in which a provider performs unnecessary or dangerous procedures.

Identifying Fraud
Commonly identified schemes involving providers include:

➤ Misrepresenting Services – Intentionally billing procedures under different names or codes to obtain coverage for services that aren’t included in a member’s plan.

➤ Upcoding – Deliberately charging for more complex or more expensive services than those actually provided.

➤ Non-rendered and/or “Free” Services – Some providers intentionally bill for tests or services never provided. This can also mean that the provider offered “free” services to bill the insurance company for services not performed or needed.

➤ Kickbacks, Bribes or Rebates – Referring patients to a provider or facility where the referring provider has a financial interest.

Commonly identified member schemes include:

➤ Identity Swapping – Allowing an uninsured individual to use your insurance card.

➤ Identity Theft – Using false identification to gain employment and the health insurance benefits that come with it.

➤ Non-eligible Members – Adding someone to a policy who is not eligible or failing to remove someone when that person becomes ineligible.

➤ Prescription Medicine Abuse and Diversion – Controlled substances can be obtained through deception or dishonesty for personal use or sale “on the street.” Prescription medications can be obtained through doctor shopping, visiting several emergency rooms or stealing doctors’ prescription pads.

Fraud increases costs and decreases benefits.
Fighting Fraud

BCBSTX offers these tips:

➤ Know your own benefits and scope of coverage.
➤ Review all Explanation of Benefits (EOB) forms. Make sure the exams, procedures and tests billed were the ones you actually had with the provider who treated you.
➤ Understand your responsibility to pay deductibles and copayments, and what you can and cannot be balance-billed for once your claim has been processed.
➤ Guard your health insurance card and personal insurance information. Notify BCBSTX immediately if your card or insurance information is lost or stolen.
➤ Sign and date only one claim form per office visit.
➤ Never lend your member ID card to another person.
➤ Don’t give out insurance or personal information if services are offered as “free.” Be sure you understand what is “free” and what you or your employer will be charged for.
➤ Ask your doctors exactly what tests or procedures they want you to have and why. Ask why the tests or procedures are necessary before you have them.
➤ Be sure any referrals you receive from your network provider are to other network doctors or facilities. If you’re not sure, ask.
➤ Monitor your prescription utilization via the BCBSTX website or your Pharmacy Benefit Manager (PBM). Make sure the medications billed to your insurance are accurate.

Our Special Investigations Department is one of the most effective in the industry.

Preventing Health Care Fraud

BCBSTX created the Special Investigations Department (SID) to fight fraud and help lower health care costs. The staff includes individuals with medical, insurance and law enforcement backgrounds as well as data analysts experienced in detecting fraudulent billing schemes. The SID aggressively investigates allegations of fraud and refers appropriate cases for criminal prosecution.

Fraud Isn’t Fair. Help Us Fight It.

Reducing health care fraud is a collaborative effort between BCBSTX, its providers and its members. Additional information — including a fighting fraud checklist — is available through the SID website at bcbstx.com/sid.

We also encourage you to report any suspected incidence of fraud by calling our Health Care Fraud Hotline, completing a form online or sending us a note in the mail. Suspicions of fraud can be reported to the SID anonymously.

Three Ways To Report Fraud To BCBSTX

The SID is here to help you. You can contact the SID in any of the following ways:

1. 800-543-0867
   The toll-free Fraud Hotline operates 24 hours a day, seven days a week. You can remain anonymous or provide information if you want to be contacted by a member of the SID.

2. bcbstx.com/sid/reporting
   This website address links to an online fraud reporting form that can be completed and sent to the SID electronically.

3. U.S. Mail
   You can write the SID at:

Frequently Asked Questions

Q. Are my medical records kept confidential?
A. Yes. Blue Cross and Blue Shield of Texas (BCBSTX) is committed to keeping all specific member information confidential. Anyone who may have to review your records is required to keep your information confidential. Your medical records or claims data may have to be reviewed (for example, as part of an appeal that you request). If so, precautions are taken to keep your information confidential. In many cases, your identity will not be associated with this information.

Q. Who do I call with questions about my benefits?
A. Call the toll-free Customer Service number on the back of your ID card.

Q. How do I find a contracting network doctor or hospital?
A. Go to bcbstx.com and use the Provider Finder®, or call Customer Service at the toll-free number on the back of your ID card.

Q. What do I do when I need emergency care?
A. Call 911 or seek help from any doctor or hospital. BCBSTX will coordinate your care with the emergency provider.

Q. What should I bring to my first appointment with a new doctor?
A. Your first appointment is an opportunity to share information about your health with your new doctor. Bring as much medical information as possible, including:

- **Medical records and insurance card** — If you are undergoing treatment at the time you change doctors, your medical records are important to your new doctor. Your insurance card provides information about copayments, billing and customer service phone numbers.
- **Medications** — Give your new doctor information about prescription and over-the-counter medications, including any herbal medications you take. Be sure to include the name of the medication, the dosage, how often you take it and why you take it.
- **Special needs** — Make a list of any equipment or devices you use including wheelchairs, oxygen, glucose monitors and the glucose strips. Be prepared to explain how you use them, not only to make sure you have the equipment you need, but also to make sure that there is no disruption in your care.

Q. What questions should I ask if I am selecting a new doctor?
A. In addition to preliminary questions you might ask a new doctor — such as “Are you accepting new patients?” — here are some questions to help you evaluate whether a doctor is right for you.

- What is the doctor’s experience in treating patients with the same health problems that I have?
- Where is the doctor’s office? Is there convenient and ample parking, or is it close to public transportation?
- What are the regular office hours? Does the office have drop-in hours if I have an urgent problem?
- How long should I expect to wait to see the doctor when I’m in the waiting room?
- Are routine lab tests and X-rays performed in the office, or will I have to go elsewhere?
- Which hospitals does the doctor use?
- If this is a group practice, will I always see my chosen doctor?
- How long does it usually take to get an appointment?
- How do I get in touch with the doctor after office hours?
- Can I get advice about routine medical problems over the phone or by email?
- Does the office send reminders for routine preventive tests like cholesterol checks?

Q. What if I’m already in treatment when I enroll and my provider isn’t in the network?
A. We’ll work with you to provide the most appropriate care for your medical situation, especially of you are pregnant or receiving treatment for a serious illness. You may still be able to see your out-of-network provider for a period of time. Call the toll-free Customer Service number on the back of your ID card for more information.
Your Medicare Checklist:

This checklist will help you remember the important steps that need to be taken between now and your 65th birthday or when you become Medicare eligible. The items are listed in the order you should address them.

### 7 to 9 Months Before Your 65th Birthday

- Contact the Social Security Administration at 1-800-772-1213, TTY: 1-800-325-0778, or go online to ssa.gov to confirm your eligibility for Medicare benefits.
- Review your current health insurance coverage to find out what happens after you become Medicare eligible. If you are working, contact your Human Resources department.

### 4 to 6 Months Before Your 65th Birthday

- Check with your current doctors to see if they accept Medicare.
- Learn and research Medicare coverage options in your area at medicare.gov (general Medicare information, ordering Medicare booklets, information about health plans, learning if you qualify for financial assistance) or bcbstx.com/medicare (coverage specifics, plan options and estimated costs).

### 3 Months Before Your 65th Birthday

- Enroll in Medicare Part A and Part B*. If you haven’t received your automatic enrollment packet in the mail, contact the Social Security Administration at 1-800-772-1213, TTY/TDD: 1-800-325-0778, or go online to ssa.gov.
- Select your Medicare coverage option. Learn about BCBSTX’s options at bcbstx.com/medicare or speak to a BCBSTX Medicare sales representative at 1-866-292-6745, TTY/TDD: 711. We are open 8 a.m. – 8 p.m., local time, 7 days a week. If you are calling from February 15 through September 30, alternate technologies (for example, voicemail) will be used on weekends and holidays.

* You may defer enrollment in Part B for as long as you are enrolled in a qualifying group health plan.

### Filling Your Prescription at a Network Pharmacy

The first step to filling your prescription is deciding on a participating pharmacy. In most cases, you can still use your current pharmacy. There is a complete list on the Navitus member website.

### Your Pharmacy Benefit ID Card

Your TAC HEBP/Blue Cross ID card contains information the pharmacy needs to process your prescription. To determine your copay before going to the pharmacy, consult your Pharmacy Benefit Highlights or call customer care.

### Submitting a Claim

In an emergency, you may need to request reimbursement for prescriptions that you have filled and paid for yourself. To submit a claim, you must provide specific information about the prescription, the reason you are requesting reimbursement, and any payments made by primary insurers. Complete the appropriate claim form and mail it along with the receipt to:

**Navitus Health Solutions Operations Division - Claims**
P.O. Box 999, Appleton, WI 54912-0999

Claim forms are available on the website or by calling customer care.
About Drug Formularies

The formulary is a comprehensive list of preferred drugs chosen on the basis of quality and efficacy by a committee of physicians and pharmacists. The drug formulary serves as a guide for the provider community by identifying which drugs are covered. It is updated regularly and includes brand name and generic drugs.

Selecting Drugs for Your Formulary

An independent group of physicians and pharmacists meets regularly during the year to review and recommend drugs for your formulary that will be, effective and affordable. The committee assesses drugs based on their therapeutic value, side effects and cost compared to similar medications. Based on the committee’s review of new and existing drugs, your formulary is evaluated to ensure it is up-to-date. Navitus and TAC HEBP then review these recommendations and will post updates to the formulary on our websites.
<table>
<thead>
<tr>
<th>Checking Your Formulary</th>
<th>Your formulary is on the website through your TAC HEBP member portal, <a href="http://www.mybenefitscounty.org">www.mybenefitscounty.org</a>, or the Navitus member portal. You may search the formulary for a specific drug. You can also browse alphabetically or by category of use. Also included is information about which drug products need prior authorization and/or have quantity limits. The formulary is a condensed list and does not list every covered drug. The coverage or tier for each drug product is noted on the formulary. But the dollar amount you pay for each medication is not listed. See the Pharmacy Benefit Highlights included in this booklet for more information, including the cost share amount you pay for each drug.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Changes to Your Formulary</td>
<td>Your formulary is evaluated on an ongoing basis, and could change. Navitus does not send separate notices if a brand-name drug becomes available as a generic drug. The pharmacist usually tells you this information when you fill your next prescription. If you have more questions about the formulary or your cost share, please contact Customer Care.</td>

Healthy County, the Texas Association of Counties Health and Employee Benefits Pool’s (TAC HEBP) wellness program, encourages covered members to take advantage of Medicine Match by enrolling in a condition management program. Medicine Match is designed to make treating asthma, diabetes, cholesterol and high blood pressure more affordable.

When enrolled in a condition management program for these conditions, members and covered spouses automatically receive a 50 percent reduction in co-pays for the medications filled through the pharmacy or by mail order that treat these conditions.

**Condition management participants get:**
- 50 percent reduction in co-pays for covered medications and supplies that treat asthma, diabetes, high blood pressure, and high cholesterol;
- Deductibles waived on applicable prescription plans;
- Information and tools to control symptoms; and
- A personal advisor to walk through each step and help participants learn to live better with a chronic condition.

**How to enroll in a condition management program:**
TAC HEBP members and covered spouses can sign up for a condition management program in three easy steps:
1. Call (866) 412-8795;
2. Select Condition Management option; and
3. Enter your BCBS ID number to enroll.
Your family's race to better health begins with a single step: Taking advantage of preventive health care services

Preventive check-ups and screenings can help find illnesses and medical problems early and improve the health of you and everyone in your family.

Your health plan covers screenings and services with no out-of-pocket costs like copays or coinsurance as long as you visit a doctor in your plan’s provider network. This is true even if you haven’t met your deductible.

Some examples of preventive care services covered by your plan include general wellness exams each year, recommended vaccines, and screenings for things like diabetes, cancer or depression. Preventive services are provided for women, men and children of all ages.

For more details on what preventive services are covered at no cost to you, refer to the back of this flier for a listing of services, or see your benefits materials.

Learn more on immunization recommendations and schedules by visiting the Centers for Disease Control and Prevention website at cdc.gov/vaccines.
These preventive services are covered by your plan at no cost to you¹

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

You may be eligible for assistance paying your employer health plan premiums. In Texas, contact information regarding eligibility is listed below.

WOMEN’S HEALTH AND CANCER RIGHTS NOTICE

The Women’s Health and Cancer Rights Act of 1998 requires this notice. This Act is effective for plan year anniversaries on or after October 21, 1998. The benefit may already be included as part of your coverage.

In the case of a covered person receiving benefits under their plan in connection with a mastectomy and who elects breast reconstruction, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

1. Reconstruction of the breast on which the mastectomy was performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
3. Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

Deductibles, coinsurance and co-payment amounts will be the same as those applied to other similarly covered medical services, such as surgery and prostheses.

Please refer to the U.S. Department of Labor website for further information.

I. USE AND DISCLOSURE OF HEALTH INFORMATION

The Texas Association of Counties Health and Employee Benefits Pool ("Pool") has created a health plan that provides health coverages for employees (and their dependents) of the counties and county-related entities that are members of the Pool ("the Plan"). The Plan is subject to the requirements of the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the Privacy Rule published by the United States Department of Health and Human Services at 45 CFR §§ 160-164 ("Privacy Rule"). HIPAA and the Rule regulate the Plan’s use of your protected health information.

The Plan may use your protected health information for purposes of making or obtaining payment for your care and conducting health care operations. The Plan has established a policy to guard against unnecessary disclosure of your health information.

The following is a summary of the circumstances under which and purposes for which your health information may be used and disclosed without getting an authorization from you or giving you a chance to agree or object to the disclosure:

A. To Make or Obtain Payment.
The Plan may use or disclose your health information to make payment to or collect payment from third parties, such as other health plans or providers, for the care you receive. For example, the Plan may provide information regarding your coverage or health care treatment to other health plans to coordinate payment of benefits.

B. To Conduct Health Care Operations.
The Plan may use or disclose health information for its own health care operations, to facilitate the administration of the Plan, and as necessary to provide coverage and services to all of the Plan’s participants. If the Plan needs to use your information, but does not need to disclose it to third parties, it will be used but will not be disclosed. Health care operations includes such activities as:

- Quality assessment and improvement activities.
- Activities designed to improve health or reduce health care costs.
- Clinical guideline and protocol development, case management and care coordination.
- Contacting health care providers and participants with information about treatment alternatives and other related functions.
- Health care professional competence or qualifications review and performance evaluation.
- Accreditation, certification, licensing or similar activities.
- Underwriting, premium rating or related functions to create, renew or replace health insurance or health benefits. However, while we may use and disclose your health information for underwriting purposes, we are prohibited from using or disclosing genetic information of an individual for such purposes.
- Review and auditing, including compliance reviews, medical reviews, legal services and compliance programs.
- Business planning and development, including cost management and planning related analyses and formulary development.
- Business management and general administrative activities of the Plan, including customer service and resolution of internal grievances.

For example, the Plan may use your health information to conduct case management reviews, to review and assess the quality of the various components of the Plan and the utilized health care providers, or to engage in customer service and grievance resolution activities.

C. For Treatment Alternatives.
The Plan may use and disclose your health information to tell you about or recommend possible treatment options or alternatives that may be of interest to you.

D. For Distribution of Health-Related Benefits and Services.
The Plan may use or disclose your health information to provide to you information on health-related benefits and services that may be of interest to you.
E. For Disclosure to the Plan Sponsor.
The Plan may provide summary health information to the plan sponsor so that the plan sponsor may solicit premium bids from health insurers or modify, amend or terminate the plan. The Plan also may disclose to the plan sponsor information on whether you are participating in the health plan.

In addition, the Plan may disclose your protected health information (PHI) to the plan sponsor as necessary for the plan sponsor to perform administration functions on behalf of the Plan. The Plan will not provide your name in connection with your health information and will otherwise de-identify the information to the extent it is practical to do so. PHI will be disclosed to the plan sponsor only upon receipt of a certification by the plan sponsor that the plan sponsor agrees to:

- Not use or further disclose the information other than as permitted or required by the plan documents or as required by law;
- Ensure that any agents to whom it provides PHI received from HEBP agree to the same restrictions that apply to the plan sponsor with respect to such information;
- Not use or disclose the information for employment related actions and decisions or in connection with any other benefit or employee benefit plan of the plan sponsor;
- Report to HEBP any use or disclosure of PHI that is inconsistent with the uses or disclosures provided for of which it becomes aware;
- Make available PHI for amendment and incorporate any amendments to PHI agreed to or required by HEBP;
- Make PHI available to an individual who has a right to access it pursuant to the Privacy Rule;
- Make available the information required to provide an accounting of disclosures in accordance with the Privacy Rule;
- Make its internal practices, books, and records relating to the use and disclosure of PHI received form HEBP available to the Secretary for purposes of determining compliance by HEBP with the Privacy Rule; and
- If feasible, return or destroy all PHI received from HEBP that the sponsor still maintains in any form and retain no copies of such information when no longer needed for the purpose for which the disclosure was made.

Any PHI disclosed by the Plan will be disclosed to the Pool Coordinator designated by the Plan Sponsor. The Plan Sponsor will restrict access to and use of PHI to those individuals who need it to perform plan administration functions or to obtain bids for health coverage. The plan sponsor will provide an effective mechanism for resolving any issues if such persons use or disclose your PHI inappropriately.

F. When Legally Required.
The Plan will disclose your health information when it is required to do so by any federal, state or local law.

G. To Conduct Health Oversight Activities.
The Plan may disclose your health information to a health oversight agency for authorized activities including audits, civil, administrative, or criminal investigations, inspections, licensure or disciplinary action. The Plan, however, may not disclose your health information if you are the subject of an investigation and the investigation does not arise out of or is not directly related to your receipt of health care or public benefits.

H. In Connection With Judicial and Administrative Proceedings.
The Plan may disclose your health information in the course of any judicial or administrative proceeding in response to an order of a court or administrative tribunal as expressly authorized by such order or in response to a subpoena, discovery request or other lawful process, but only when the Plan makes reasonable efforts to either notify you about the request or to obtain an order protecting your health information.

I. For Law Enforcement Purposes.
As permitted or required by state law, the Plan may disclose your protected health information to a law enforcement official for certain law enforcement purposes, including, but not limited to, if the Plan has a suspicion that your death was the result of criminal conduct or in an emergency to report a crime.

J. In the Event of a Serious Threat to Health or Safety.
The Plan may, consistent with applicable law and ethical standards of conduct, disclose your protected health information if the Plan, in good faith, believes that such disclosure is necessary to prevent or lessen a serious and imminent threat to your health or safety or to the health and safety of the public.

K. For Specialized Government Functions.
We may be required to disclose your information to federal authorities. Federal regulations require the Plan to use or disclose your health information to facilitate specified government functions related to the military and veterans, national security and intelligence activities, protective services for the president and others, and correctional institutions and inmates.
I. For Worker’s Compensation.
The Plan may release your health information to the extent necessary to comply with laws related to workers’ compensation or similar programs.

M. Public Health Activities.
The Plan may disclose your protected health information to a public health authority authorized by law to collect such information to prevent or control disease, injury, or disability, and to report such information as birth or death, the conduct of public health surveillance and public health investigations. The Plan also may disclose your information to an appropriate government authority authorized to receive reports about child abuse. The Plan also may disclose your information to a person responsible for activities related to the quality, safety and effectiveness of products regulated by the federal Food and Drug Administration. The Plan may disclose your protected health information to a government authority if there is a reasonable belief that you are a victim of abuse, neglect, or domestic violence.

II. AUTHORIZATION TO USE OR DISCLOSE HEALTH INFORMATION
Other than as stated above, the Plan will not disclose your health information unless you give us your written authorization. Specifically, we must have your written authorization to use or disclose psychotherapy notes except as permitted or required by law and personal information for marketing purposes, in most instances. In addition, we do not sell your personal information. If you authorize the Plan to use or disclose your health information, you may revoke that authorization in writing at any time, unless the Plan has taken an action based on your authorization.

III. YOUR RIGHTS WITH RESPECT TO YOUR HEALTH INFORMATION
You have the following rights regarding your health information that the Plan maintains:

A. Right to Request Restrictions.
You may request restrictions on certain uses and disclosures of your health information. You have the right to request a limit on the Plan’s disclosure of your health information to someone involved in the payment of your care. The Plan is not required to agree to your request, but will certainly consider it. We must, however, agree to any request you may make to restrict disclosure of your personal information to a health plan if the disclosure is for the purpose of carrying out payment or health care operations and is not otherwise required by law and the information pertains solely to a health care item or service for which you or someone acting on your behalf paid the provider in full. If you wish to make a request for restrictions, please contact TAC HBS Operations Manager at 800-456-5974.

B. Right to Receive Confidential Communications.
You have the right to request that the Plan communicate with you in a certain way if you feel it is necessary to protect your interests. For example, you may ask that the Plan only communicate with you at a certain telephone number or by e-mail. If you wish to receive confidential communications, please make your request in writing to TAC HBS Operations Manager, P.O. Box 2131, Austin, Texas 78768, Fax 512-481-8481. The Plan will honor your reasonable requests for confidential communications.

C. Right to Inspect and Copy Your Health Information.
You have the right to inspect and copy your health information. A request to inspect and copy records containing your health information must be made in writing to TAC HBS Operations Manager, P.O. Box 2131, Austin, Texas 78768, Fax 512-481-8481. If you request a copy of your health information, the Plan may charge a reasonable fee for labor for copying, the costs of supplies for creating an electronic copy on portable media, the cost of preparing an explanation or summary of the information if you agree, and postage, if applicable, associated with your request.

D. Right to Amend Your Health Information.
If you believe that your health information records are inaccurate or incomplete, you may request that the Plan amend any records in its possession. A request for an amendment of records must be made in writing, must express a reason the records should be amended, and must be sent to TAC HBS Operations Manager, P.O. Box 2131, Austin, Texas 78768, Fax 512-481-8481. The Plan may deny the request if it does not include a reason to support the amendment. The request also may be denied if your health information records were not created by the Plan, if the information requested is not part of a designated record set, if the health information you are requesting to amend is not part of the Plan’s records, if the health information you wish to amend falls within an exception to the health information you are permitted to inspect and copy (including psychotherapy notes, and information compiled for or in anticipation of a civil, criminal or administrative proceeding), or if the Plan determines the records containing your health information are accurate and complete.

E. Right to an Accounting.
The Privacy Rule requires the Plan to keep a record of certain disclosures of health information, such as
disclosures for public purposes authorized by law or disclosures that are not in accordance with the Plan’s privacy policies and applicable law. You have the right to request a copy of this record. The request must be made in writing to TAC HBS Operations Manager, P.O. Box 2131, Austin, Texas 78768, Fax 512-481-8481. The request should specify the time period for which you are requesting the information, but may not start earlier than April 14, 2003. Accounting requests may not be made for periods of time going back more than six (6) years. The Plan will provide the first accounting you request during any 12-month period without charge. Subsequent accounting requests may be subject to a reasonable cost-based fee. The Plan will inform you in advance of the fee, if applicable.

F. Right to a Paper Copy of this Notice.
You have a right to request and receive a paper copy of this Notice at any time, even if you have received this Notice previously or agreed to receive the Notice electronically. To obtain a paper copy, please contact TAC HBS Operations Manager, P.O. Box 2131, Austin, Texas 78768, Fax 512-481-8481. You also may view a copy of the current version of the Plan’s Privacy Notice at the Web site, http://www.County.Org.

IV. DUTIES OF TAC HEBP HEALTH PLAN
The Plan is required by law to maintain the privacy of your health information as set forth in this Notice and to provide to you this Notice of its duties and privacy practices. The Plan is also required by law to notify any affected individuals following a breach of their unsecured protected health information. The Plan is required to abide by the terms of this Notice, which may be amended from time to time. The Plan reserves the right to change the terms of this Notice and to make the new Notice provisions effective for all health information that it maintains. If the Plan changes its policies and procedures, the Plan will revise the Notice and will provide a copy of the revised Notice to you within 60 days of the change. The Plan will also post the revised Notice on its website by the effective date of the Notice. You have the right to express complaints to the Plan and to the Secretary of the Department of Health and Human Services if you believe that your privacy rights have been violated. Any complaints to the Plan should be made in writing to TAC HEBP Privacy Official, Rob Ressmann, P.O. Box 2131, Austin, Texas 78768, Fax: 512-478-0519. The Plan encourages you to express any concerns you may have regarding the privacy of your information. You will not be retaliated against in any way for filing a complaint.

CONTACT PERSON
The Plan has designated Rob Ressmann, Privacy Official as its contact person for all issues regarding patient privacy and your privacy rights. You may contact him at P.O. Box 2131, Austin, Texas 78768, 512-478-8753.

EFFECTIVE DATE
This Notice is effective Nov 8, 2013.

IF YOU HAVE ANY QUESTIONS REGARDING THIS NOTICE, please contact Rob Ressmann, TAC HEBP Privacy Official, P.O. Box 2131, Austin, Texas 78768, 512-478-8753.
Important Notices

Initial Notice About Special Enrollment Rights in Your Group Health Plan

A federal law called Health Insurance Portability and Accountability Act (HIPAA) requires that we notify you about very important provisions in the plan. You have the right to enroll in the plan under its “special enrollment provision” without being considered a late enrollee if you acquire a new dependent or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons. Section I of this notice may not apply to certain self-insured, non-federal governmental plans. Contact your employer or plan administrator for more information.

A. SPECIAL ENROLLMENT PROVISIONS

Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program) If you are declining enrollment for yourself or your eligible dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if you move out of an HMO service area, or the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 31 days after your or your dependents’ other coverage ends (or move out of the prior plan’s HMO service area, or after the employer stops contributing toward the other coverage).

Loss of Coverage For Medicaid or a State Children’s Health Insurance Program
If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption
If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for State Premium Assistance for Enrollees of Medicaid or a State Children’s Health Insurance Program
If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or obtain more information, call Customer Service at the phone number on the back of your Blue Cross and Blue Shield ID card.
II. Additional Notices

Other federal laws require we notify you of additional provisions of your plan.

NOTICES OF RIGHT TO DESIGNATE A PRIMARY CARE PROVIDER (FOR NON-GRANDFATHERED HEALTH PLANS ONLY)

For plans that require or allow for the designation of primary care providers by participants or beneficiaries:
If the plan generally requires or allows the designation of a primary care provider, you have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, call Customer Service at the phone number on the back of your Blue Cross and Blue Shield ID card.

For plans that require or allow for the designation of a primary care provider for a child: For children, you may designate a pediatrician as the primary care provider.

For plans that provide coverage for obstetric or gynecological care and require the designation by a participant or beneficiary of a primary care provider: You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

For a list of participating health care professionals who specialize in pediatrics, obstetrics or gynecology, call Customer Service at the phone number on the back of your Blue Cross and Blue Shield ID card.
