

Bastrop County Sanitation Services

OSSF Professionals List

Bastrop County does not endorse or guarantee the license, certification, or performance of any individual on this list.

Important! Verify License Status at - <https://www.tceq.texas.gov/permitting/ossf/ossfhomeowners.html>
 A licensed Site Evaluator (SE) can determine the soil type and type of OSSF suitable for your property.
 A Professional Engineer (PE) or Registered Sanitarian (RS) can design all septic systems.
 There are several types of septic systems (cost varies), discuss your options with a PE, RS or licensed installer.
