COMMISSARY RESPONSIBILITIES

- 1) The commissary will furnish written approval to the mobile food vendor at the time of the mobile food unit's permit renewal.
- 2) The commissary will allow the mobile food vendor to bring the unit to the establishment for servicing as needed.
- 3) The commissary will allow all food storage and preparation to be done at the commissary.
- 4) The commissary will allow all food held overnight to be stored at the commissary.
- 5) The commissary will store all equipment and supplies of the mobile food vendor
- 6) All food product labels must contain the following information:
 - a) Name and address of manufacturer.
 - b) The common name of the product.
 - c) A list of all the ingredients in the product from the most prevalent to the least prevalent.
 - d) The net weight of the product.

I, _____, (owner), have read and understand the items of responsibility listed above and agree to comply with all of the requirements.

I give permission to _____ (mobile food vendor) to use my establishment, _____ (name of establishment), located at _____ (address of establishment) as a commissary for the mobile food vending unit.

I understand that any health violations of the vendor found at this establishment can be included on the health inspection for this establishment.

Restroom Facility Agreement

All Bastrop County Food Vendors are required to submit and maintain a current Restroom Facility Agreement for each location where the mobile unit will operate for longer than two (2) hours. This agreement confirms availability of a restroom, during the hours of operation, for staff, within 150 feet of the vending location. Failure to maintain a current Restroom Facility Agreement with this department, for each vending location in which you operate may result in permit suspension and/or filling of legal charges.

****Mobile Food Vendors that intend to access restroom facilities of a store front or other similar establishment must the bottom portion of this from signed by the owner or responsible party of that establishment.****

MOBILE FOOD VENDOR RESPONSIBILITIES

- 1) **COMMISSARY USE:** You must report to your commissary to service your unit. (Not required for snow cone vendors using non-potentially hazardous flavorings.)
- 2) **FOOD STORAGE:** All food and supplies used must be stored at your commissary. Unless the units are equipped for food preparation, all food and storage and preparation must be done at the commissary. All food held overnight must be prepared at the commissary.
- 3) **REFRIGERATION AND HEATING:** You must have adequate hot and cold food storage facilities to maintain food products at the required temperatures. Hot foods must be 140° F or above.
- 4) **THERMOMETER:** Metal stem dial thermometers with range of 0 – 220° F and accurate to +/- 3°F must be provided on mobile food units on which food is prepared in order to monitor food temperatures.
- 5) **LABELING:** All foods must have complete and proper labels.
- 6) **FOOD MANUFACTURING LICENSE:** You must register with the Texas Department of State Health Services as a Food Manufacturer if you sell any pre-packaged food products and do either of the following:
 - a) Prepare and label the products sold from your mobile food unit.
 - b) Place your label on the food products even if another food establishment prepares these products for you.
- 7) **WATER:** All mobile food units that are required to have water supplies must have properly designed waste water holding tanks of a 15% greater capacity than the hot and cold water supply. The holding tank must be permanently installed in the unit and equipped with a drain valve to empty the tank on the outside of the vehicle.
- 8) **HOT AND COLD WATER:** If the mobile food unit's operation requires hot and cold water, it must be supplied and working at all times during the entire serving day. If it is not, the operation may be required to close until the Health Authority verifies that the problem has been corrected.
- 9) **SINKS:** There must be at least a two-bay sink on the unit for utensil washing. A separate sink for hand washing is also required. (A minimum of 3 sinks are thus needed.) Soap and single-use towels (paper towels) must be supplied to the hand washing sink.
- 10) **HANDWASHING:** Soap and towels must be supplied at all times at the hand washing sinks on mobile food units in which food is prepared.

I have read and understand the items of responsibility listed above, and I agree to comply with all of the requirements.

**TEXAS DEPARTMENT OF STATE HEALTH SERVICES
FOOD ESTABLISHMENTS GROUP
MOBILE FOOD ESTABLISHMENT CHECKLIST**

This checklist provides a list of requirements necessary for the approval of a Mobile Food Establishment in those areas of the State permitted by the Texas Department of State Health Services. Critical items are printed at the top of the checklist. Mobile food establishment equipment and criteria may vary depending on the type of operation. Refer to the Texas Food Establishment Rules (TFER) for complete information regarding the requirements. The TFER can be found on our website at <http://www.dshs.state.tx.us/foodestablishments> or call the Food Establishments Group at (512) 834-6753 for further information.

- 1.) Liquid waste retention tank is provided and capacity is at least 15% larger than the potable water storage tank.*
- 2.) Potable water from an approved source.*
- 3.) Hot and cold running water under pressure is provided to sinks.*
- 4.) Handwash sink is provided, and is conveniently located and accessible.*
- 5.) Soap, paper towels, detergent and sanitizing chemicals are provided.*
- 6.) Three-compartment sink is provided.*
- 7.) Equipment for hot and cold holding, adequate to maintain potentially hazardous food at required temperatures.*
- 8.) Food products are obtained from approved sources.*
- 9.) A servicing area shall be provided for cleaning, supplying, loading of water and discharge of sewage.*
- 10.) A Certified Food Manager shall be employed if potentially hazardous food will be prepared.*
- 11.) Single service articles are provided and used.
- 12.) A central preparation facility must be licensed and be operated according the requirements of TFER.
- 13.) Potable water inlet is equipped with a hose connection of a size or type that prevents its use for any other purpose.
- 14.) Potable water distribution pipes or tubing are constructed and installed in accordance with public health and plumbing standards.
- 15.) Liquid waste servicing connection is of a different size than the water connection.
- 16.) Effective control measures are used for insects, rodents and environmental contaminants. Installed screening is at least 16 mesh to the inch.
- 17.) Mobile food establishment is constructed of corrosion-resistant, durable materials.
- 18.) Mobile food establishment has easily cleanable, non-absorbent floors, walls and ceilings.
- 19.) Counters and tables are designed for durability and are easily cleanable.
- 20.) Equipment is installed so that it is easily cleanable and is in clean, sound condition.
- 21.) Facilities are provided for solid waste storage that are easily cleanable and covered.

*Requirement must be met to be permitted.
