

# Bastrop County Parks 101

Bastrop County Parks are currently managed by the Bastrop County General Services Department, which is responsible for the oversight and maintenance of all County grounds and buildings.

The first County Park (Cedar Creek Park) was acquired by the County from Bastrop ISD in 2008 and developed using funds from the Texas Parks and Wildlife Department and the LCRA. Stony Point Park and the Bastrop County Nature Park (formerly the Lost Pines Nature Trails) are former subdivision parks and were adopted by the County in 2017 at the request of the local community.
