INTERNAL/EXTERNAL JOB POSTING

Brief Job Description: Bastrop County Animal Services is seeking a **Part-Time Flexible Shelter Veterinarian** to lead the medical department of animal services. This position would have the Animal Care

Manager to manage staff and assist with protocols. Some work will be able to be done remotely. Currently we have two high volume spay/neuter surgery days a week. Emergency calls between the hours of 8-5pm when working remotely would be expected. However they are not very common. Bastrop is close to Austin and still has a rural town feel with the Colorado river running through it. The staff, volunteers and employees are dedicated to serving the public and animals of Bastrop County. Come visit our shelter and town for more information or give us a call.

Knowledge, Skills and Abilities: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Minimum Qualifications: Veterinary Medicine Degree Required. Possession of a valid Texas driver's license. Must be licensed to practice veterinary medicine in the State of Texas and be eligible to be DEA licensed.

Bastrop County does not discriminate on the basis of race, color, age, national origin, sex, religion or disability in employment or in its activities. Minorities, Veterans, and Disabled applicants are encouraged to apply.

A Bastrop County Job Application is required, and can be completed/submitted at: [Bastrop County Job Applications](#) A resume will be considered, but will not be accepted in lieu of application.
