ITEMS FOR ADDENDUM #1:

Q. From your cover letter - do we include a copy of our SAM.gov registration?

A. A SAM.Gov registration is required for any firm that is awarded a contract. Firms are welcome to submit this certification, but the certification is not required to be submitted with the statement of qualification.

Q. There is a 12-page maximum. Is anything other than the Cover Letter excluded from this page count? i.e., cover-back pages, table of contents, dividers, Certificate of Insurance, SAM.gov registration

A. Firms are limited to 12 pages for the statement of qualifications, however the required Appendix B, Appendix C, Appendix E and Appendix G will not be included in the 12 page limit. The required appendix will be in addition to the 12 page limit. A cover page, certificate of insurance and the SAM.Gov registration will not count towards the 12 page limit. All other documents will be counted towards the 12 page limit.

Q. What is the proposed budget for the project?

A. Budget will be based on grant award. Historically Bastrop County has been approved for approximately \$250,000.

Q. Has a grant administrator been procured for the project, and if so, who is the grant administrator?

A. Bastrop County has a request for proposal open for grant administration, but no firm has been hired.
