The County reserves the right to waive any minor irregularities that do not materially affect the scope or pricing of submitted Bids.
- T. Outstanding Liabilities: Bidders shall not have outstanding, unpaid liabilities owed to the County. Liabilities may include, but are not limited to, property taxes, hotel occupancy taxes, and license or permit fees. Bids will be considered non-responsive and not given further consideration if submitted by a bidder with such outstanding liabilities.
- U. Offset: The County may, at its option, offset any amounts due and payable under contract award under this solicitation against any debt lawfully due the County from a vendor, whether or not the amount due arises pursuant to the terms of the contract and whether or not the debt has been reduced to judgment by a court.
- V. Solicitation Results: The County normally posts solicitation results on-line after bids are received and approved in Commissioner's Court. The County's website is www.co.bastrop.tx.us. Bidder must obtain written approval from Bastrop County before deviating from the scope of work provided in this request for bids. - C. Ambiguity: Any ambiguity in the bid as a result of omission, error, lack of clarity or non-compliance by the bidder with specifications, instructions and all conditions shall be construed in the favor of the County. In the event of a conflict between these standard RFB requirements and details provided in Appendix A – Scope of Services or Appendix B – Bid, the Appendices shall prevail.

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added [section 2252.908](#) of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency.

The law applies (with a few exceptions) only to a contract between a business entity and a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Changed or Amended Contracts:

Form 1295 is only required for a change made to an existing contract in certain circumstances: (1) if a Form 1295 was not filed for the existing contract, then a filing is only required if the changed contract either requires an action or vote by the governing body or the value of the changed contract is at least \$1 million; or (2) if a Form 1295 was filed for the existing contract, then another filing is only required for the changed contract if there is a change to the information disclosed in the Form 1295, the changed contract requires an action or vote by the governing body, or the value of the changed contract increases by at least \$1 million.

As required by law, the Commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The Commission also adopted rules ([Chapter 46](#)) to implement the law. The Commission does not have any additional authority to enforce or interpret [section 2252.908](#) of the Government Code.

Filing Process:

A business entity must use the [Form 1295 filing application](#) the Commission created to enter the required information on Form 1295 and print a copy of the completed form. Once entered into the filing application, the completed form will include a unique certification number, called a “certification of filing.”

An authorized agent of the business entity must sign the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

The completed, printed, and signed Form 1295 bearing the unique certification of filing number must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Acknowledgement by State Agency or Governmental Entity:

The governmental entity or state agency must acknowledge receipt of the filed Form 1295 with the certification of filing, using the Commission’s filing application, not later than the 30th day after the date the governing body or state agency receives the Form 1295. The Commission will post the completed Form 1295 to its website within seven business days after the governmental entity or state agency acknowledges receipt of the form.

Changes to Form 1295

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an “unsworn declaration.”

What type of contracts are exempt from the Form 1295 filing requirement under the amended law?

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- A sponsored research contract of an institution of higher education;
- An interagency contract of a state agency or an institution of higher education;

- A contract related to health and human services if: o the value of the contract cannot be determined at the time the contract is executed; and o any qualified vendor is eligible for the contract;
- A contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity;*
- A contract with an electric utility, as that term is defined by Section 31.002, Utilities Code;* or
- A contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.*

The newly exempt contract types are marked with an asterisk.

Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018.

Will my date of birth and address appear on the TEC’s website when I file the form?

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also *Paxton v. City of Dall.*, No. 03-13-00546-CV, 2015 Tex. If an award is made, the contract shall be awarded to the responsible firm whose proposal provides the best value to the County, considering price and all other factors specified in the rating system.
- c. In responding to a solicitation (Request for Bids, Request for Proposals, etc.) for a Section 3 covered contract, all contractors and subcontractors are required to comply with the Bastrop County Section 3 Plan. The contractor and the County will review the Section 3 Plan procedures and applicable forms that the contractor will use to report progress toward Section 3 goals. The Section 3 requirements also apply to contracts with consultants for a Section 3 covered contract.
 - d. All general contractors and/or sub-contractors shall set a goal that 30 percent of new hires will be Section 3 residents. Contractors should provide job opportunities for skilled and unskilled workers. All Contractors and Subcontractors will be required to post all new hire opportunities with the local Workforce Solutions Center, WorkinTexas.com, and Bastrop County.
 - e. Bastrop County will analyze and evaluate the contractor's compliance with requirements and obligations set forth in the contract. In the event that a review reveals a contractor has not complied with Section 3 requirements, the County will undertake efforts to help the contractor achieve compliance.
 - f. The contractor and or sub-contractor shall submit monthly

reports regarding the status of each Section 3 participant. An annual report will also be requested from each contractor and/or subcontractor in connection to the performance of each project. This Annual Report will document the efforts and success of all Section 3 participants and subcontractors working under the general contractor, in reaching the percentage goals for employment and business opportunities established in these policies.

- g. The contractor and/or subcontractor shall submit weekly-certified payroll reports to Bastrop County. This report shall be submitted weekly and clearly identify Section 3 Hires.
- h. Bastrop County or its consultant will conduct periodic site visits to the worksite. The Coordinator shall visibly notice each Section 3 hire on site. The general contractor will sign a monitoring form verifying that a Section 3 worker is present.
- i. Complaints regarding the County's Section 3 Program must be submitted in writing. All complaints must include the complainant's name, address, telephone number, and a brief narrative detailing the complaint, including but not limited to, the date of the alleged violation and the date the alleged violation was discovered. Complaints shall be filed within 30 calendar days after the complainant becomes aware of any alleged violation. Bastrop County will investigate every complaint. All parties involved will have the opportunity to submit testimony and/or evidence as may be available and relevant to the complaint, and a written determination will be issued within 30 days after the filing of the complaint. Filing a complaint does not terminate a contractor's Section 3 requirements. Contractors remain accountable for fulfilling the agreed upon Section 3 requirements.

As officers and representatives of the County of Bastrop, we the undersigned have read and fully agree and become a party to the full implementation of this program.

PASSED AND ADOPTED at a regular meeting of the COMMISSIONERS' COURT of the County held on the 22nd day of June 2015.
